**H.A.R.P. Cameron County
presents a kick off for the series:
“10 Great Dates to Energize Your Marriage”/
“10 Citas Extraordinarias Para Vigorizar
Su Matrimonio”**

Brownsville– March 7, 2008 Is dating something you only did before you were married? Are you looking for a little pizzazz in your marriage? Do you want your marriage to fly high? You don't have to travel far to add that excitement, but you do need to find some time. 10 Great Dates allows you to do just that.

On Friday, April 25th, the Hispanic Active Relationships Project (H.A.R.P.) of Cameron County invites organizations to participate in the 10 Great Dates to Energize Your Marriage kick off series written by Authors David & Claudia ARP at 6:30 p.m. at Bennigans Restaurant-Brownsville.

HARP invites your organization to participate in this FREE program series. Having a healthy, growing marriage relationship requires friendship, fun, and romance. And there's no better way to encourage all of these things than having dates!

Great dates are more than going to see a movie and tuning out the world for a while. Great dates involve communicating with one another, reviving the spark that initially ignited your fire, and developing mutual interests and goals that are not focused on your careers or your children. Great dates can revitalize your relationship. Be spontaneous and take part in this grand event.

10 Great Dates include:

- ♥ Choosing a High-Priority Marriage
- ♥ Learning to Talk
- ♥ Resolving Honest Conflict
- ♥ Becoming an Encourager
- ♥ Finding Unity in Diversity
- ♥ Building a Creative Love Life
- ♥ Sharing Responsibility and Working Together
- ♥ Balancing Your Roles as Partner and Parent
- ♥ Free Date
- ♥ Having an Intentional Marriage

10 CITAS
EXTRAORDINARIAS
PARA VIGORIZAR SU MATRIMONIO

About H.A.R.P.

H.A.R.P. offers marriage education and awareness through professional trainings to community leaders, couples classes for dating, engaged, and married couples, relationship classes for students and parents, and a couple mentorship programs.

HARP is a project awarded by the Department of Health and Human Services, Administration for Children and Families especially to serve Cameron County.
